

Product Update: 15

Date: June 2<sup>nd</sup>, 2015

Nomenclature: AERO Specialties SP2 Shear Pin Supersedes D8-400 Shear Protection

Part Number: 003229

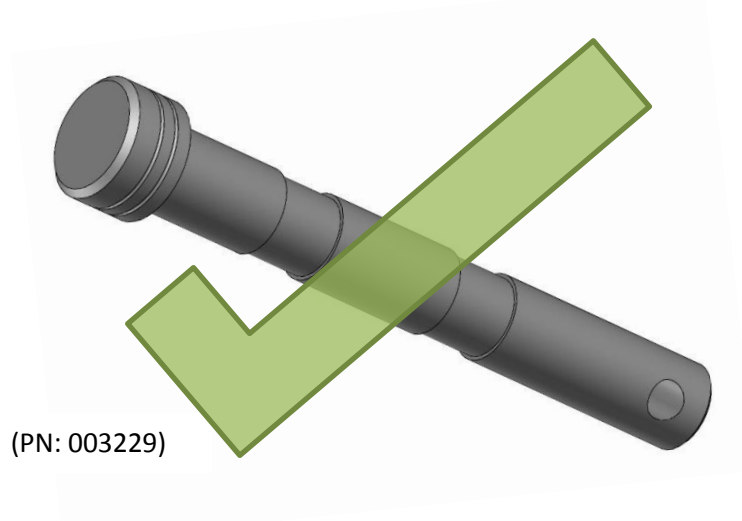

Serial Numbers Affected: NA

**Attention:**

For AERO Specialties D8-400 towing equipment, all shear protection fasteners have been replaced by SP2 shear pins (PN: 003229) beginning June 2<sup>nd</sup>, 2015. AERO Specialties equipment affected by this change are listed below:

- D8-400 Towbar Head (PN: 001497)
- Rx-D8-400 Towbar (PN: 001689)

Please use these pins as a replacement for all shear fasteners ordered or used from this date on.
